8	Lervig	No Worries Driving Home For Christmas	9	0.5%	christmas	NO		A delightful dark (but not heavy) Christmassy ale, with a great foamy head and a lovely balanced taste of cinnamon.
9	Lowlander	0.3 IPA	9	0.3%	ipa	NL	Amsterdam	A stunning low-alc IPA - complex, foamy and refreshing, with a bitter hoppy tang combining with rounded mango and orange flavours. Stunning.
10	Brand	Brand IPA 0.0%	9	0.0%	ipa	NL	Limburg	lovely IPA with a hint of sourness and a hint of malt. And it's 0.0! The taste is not perfect, but very good indeed.
11	Force Majeure	Tripel	8.75	0.4%	belgiantripel	BE		This is a fabulous achievement, a serious rendition of the Belgian "tripel" style but with no alc. Great frothy head, and a complex, banana-y but not over
12	Big Drop	"Citra 4 hop" pale ale	8.5	0.5%	pale	UK	Ipswich	a great alkohfrei pale ale, full-flavoured with a gentle grapefruit juice flavour

16	Infinite Session	Pale ale	8	0.5%	pale	UK	London	a very nice balanced pale ale indeed, this one from London. It's a contender for the best British one I've had...
17	Infinite Session	IPA	8	0.5%	ipa	UK	London	a lovely IPA with, to me, a peachy fruitiness. Not as tangy as I expected, and the mouthfeel a bit too frothy, but very nice indeed.
18	Shipyard	Low Tide Pale Ale	8	0.5%	pale	UK	Wolverhamja	a great refreshing american-style pale ale, liked it.
19	Mikkeller	Drink in the Sun	8	0.3%	wheat	DK		good IPA with summery juicy grapefruit

21	Maisel	Maisel's Weisse	8	0.5%	wheat	DE	Bavaria	a superb alcohol-free wheat beer, with a classic Bavarian taste. Slightly more lively and refreshing than the Rothaus, but both are great.
22	Rothaus	Hefe Weizen	8	0.5%	wheat	DE		a superb alkohfrei showing from the German brewery in the Black Forest... It's alcohol free but tastes just exactly like a straightforward wheat beer. Impr
23	Brussels Ber Project	Pico Bello	8	0.3%	neipa	BE		a very interesting hazy IPA! funky, mildly sour almost like lemon & lime, v tasty
24	Northern Monk	Super Stredge	8	0.5%	ipa	UK	Yorkshire	A delightful IPA with a hazy look, a great ringing whack of mosaic dry-hopping, and a mineral finish.
25	Northern Monk	Holy Faith	8	0.5%	neipa	UK	Yorkshire	a great fresh hop-forward hazy pale - biscuity, fruity, hazy. I'd give it 8, Yvonne would give it 9.
26	Big Drop	Pine Trail	8	0.5%	pale	UK	Ipswich	a very nice laid back pale ale. (NB there's no taste of pine at all! I should have read the small print.)
27	Brewdog	Hazy AF	8	0.5%	neipa	UK	Scotland	lovely juicy IPA, with a clear nice citra/citrus dry flavour to finish
28	Drop Bear	Tropical IPA	8	0.5%	ipa	UK	Wales	a very accomplished IPA, with a great foamy persistent head, a pronounced bitterness, and dark/complex flavour (similar to Nanny State, but better IMT
29	Lervig	No Worries	8	0.5%	ipa	NO		a great IPA, fizzy with a good head, and a biscuity and gently sour finish. The grapefruit version is slightly more fun but this is delish.
30	van de Streek	Grapefruit non-alcoholic IPA	8	0.5%	ipa	NL	Utrecht	Another faultlessly-composed beer from vdS - not as tangy as you might expect, but a lovely fruity/bitter grapefruitiness throughout.
31	Braxx	Rebel IPA	8	0.2%	ipa	NL	Amsterdam	Very interesting malty IPA, almost a brown-ale flavour plus hoppy twang.
32	Muifel	Crazy IPA	7.5	0.5%	ipa	NL	North Brab	Good IPA, foamy mouthfeel, but foiled by a fairly austere dry mineral finish.
33	Lervig	No Worries Pineapple	7.5	0.5%	ipa	NO		very pineapple - tastes like lots of fun! and yes indeed it's still a good IPA .
34	van de Streek	Non-Bock	7.5	0.5%	bock	NL	Utrecht	a really very nice brown ale. Nicely balanced, no complaints. Van de Streek (Dutch brewery) have done it again!
35	van de Streek	Fun House	7.5	0.5%	neipa	NL	Utrecht	This is good, clean, crisp, no problems, but not as juicy (nor hazy) as I'd expect from a NEIPA. Stick to the Playground?
36	San Miguel	San Miguel 0.0%	7.5	0.0%	lager	ES		an alcohol-free version of the well-known Spanish/Filipino lager. The flavour is good, it's refreshing, and a nice balanced aftertaste. One of the best I've
37	Mariestads	Alkoholfri	7.5	0.5%	lager	SE		good reliable beer
38	Pistonhead	Flat Tire dry-hopped lager	7.5	0.5%	lager	SE		a nice pilsnery lager, with a good clean taste and the right feel in the mouth. Yet another good job from Sweden.

41	Big Drop	Poolside DDH IPA	7.5	0.5%	ipa	UK	Ipswich	nice floral mixture of four hops, for a gentle and well-made IPA
42	Brewdog	Nanny State	7.5	0.5%	pale	UK	Scotland	a nice and well-balanced ale from Brewdog (and better than "Punk AF" which for me is meh). medium colour+body, and with good complexity.
43	Jupiler	Jupiler 0.0%	7.5	0.0%	belgian	BE		nice honeyed and ale-y Belgian beer. No head, but good clean taste and a pleasing finish.
44	Ridgeside	Nothing But The Rain v5	7.5	0.5%	pale	UK	Yorkshire	nice, with a gorgeous whack of bitter-lemon-ish citrus late-hop at the end
45	Nirvana	Hoppy Pale Ale	7.5	0.5%	pale	UK	Brighton	this has a very clear crisp taste, light and with a good citrusy hop flavour at the end. I wasn't expecting much since I dislike the other beers from Nirva
46	Stella Artois	Stella Artois 0.0%	7.5	0.0%	lager	BE		tastes like Stella! There's a noticeable giveaway flavour in the middle there, but otherwise a very good zero from this brewery.
47	Grolsch	Weizen 0.0	7.5	0.0%	wheat	NL	Enschede	oh nice, a good, mildly quirky flavour (in a good way), good texture, a drinkable wheat beer.
48	van Breugem	Klein Zoentje	7.5	0.4%	ipa	NL	North Holla	Pleasant fruity pale ale - smell of mandarin, taste of passionfruit. Jury was split: I liked it, she less so.
49	Uiltje	Superb Owl	7.5	0.2%	ipa	NL	Haarlem	Mildly grapefruity. Low on fizz/froth but otherwise fine.
50	Mikkeller	Weird Weather	7	0.3%	neipa	DK		very mango/pineapple, nice but very un-beer-y and so unsatisfying
51	Leffe	Leffe Blonde 0.0%	7	0.0%	belgianblonde	BE		nice full Belgian flavour, but seemed to us overly sweet. A very good Belgian zero-percent beer
52	Inselbrauerei	Surfer's Summer Ale	7	0.5%	pale	DE		a great, lagery, summer ale. It isn't as magic as the Mariestads summer ale (Sweden), but it's good stuff.
53	Greene King	Old Speckled Hen low-alcohol	7	0.5%	bitter	UK	Suffolk	great to have a classic British dark bitter as a decent low-alcohol. This one's nice tasting and well-balanced, though I find it quite drying, so didn't want t
54	Sainsburys	Low alcohol Czech lager	7	0.5%	lager	CZ		
55	Brutal Brewing	Ship Full of IPA	7	0.0%	ipa	SE		nice malty flavour, not tangy tho despite name
56	Big Drop	Lager	7	0.5%	lager	UK	Ipswich	a nice refreshing darkish lager (on the Brooklyn lager axis). It lacks a bit of tang/fizz but otherwise a good alkohfrei lager.
57	Omnipollo	Konx	7	0.3%	pale	BE		very fruity (pear/mango?) pale ale - allllmost un-beery! - but balanced well by a good dryness. A slight AF giveaway flavour, but still refreshing.
58	Brand	Alcoholvrij Weizen	7	0.0%	wheat	NL	Limburg	a quite good weizen
59	Brewdog	Punk AF	7	0.5%	ipa	UK	Scotland	The UK's BrewDog (well-known for Nanny State) now has "Punk AF" 0.5% IPA. It's extremely light-coloured, and has a delicate flavour to match. Tastes
60	Thornbridge	Zero Five	7	0.5%	pale	UK	Yorkshire	decent pale ale, good fizz, and a good hoppy aroma, but not that tangy or refreshing.
61	Coast	Coast Hazy IPA	7	0.0%	ipa	UK	Scotland	very nice grapefruity IPA, juicy but not tangy - and thus, un-beery, though very drinkable.
62	Big Drop	Kodama IPL	7	0.5%	lager	UK	Ipswich	a very good malt-oriented hoppy lager. Great head, interesting flavour, though a drying aftertaste
63	Hitachino	Non Ale	7	0.3%	pale	JP		a nice alcohol-free beer from Japan. Not much aroma, but the beer is refreshing, modestly complex, slightly malty. It has the distracting alkohfrei taste; b
64	De Halve Maan	Sport Zot	7	0.4%	belgianblonde	BE		nice friendly Belgian-style beer. A touch sweet for me, and a bit noticeably unusually-flavoured due to the alkohfrei, but has a great foamy texture and he
65	Coast	Farmhouse	7	0.3%	unknown	UK	Scotland	A nice mid-palate beer with a hint of tartness. Very well balanced

66 Mikkeller	Henry & His Science	7	0.3%	unknown	DK		to me this is in the genre of "grown-up lemonade" but it's certainly a well-balanced and satisfying one. Taste of lychee and citrus sourness
67 West Berksire Brew	Peach Pale	7		pale	UK	Berkshire	There's peach syrup in it but you can barely taste any peachiness. It's an OK pale ale, with a mineral (and otherwise absent) finish
68 Aegir	Minus	7	0.5%	pale	NO		decent clean-tasting pale ale - but - it has a dry mineral flavour at the end, like it magically turns into mineral water / tonic water!
69 Omnipollo	Blåbårssoppa	7	0.3%	pale	BE		allegedly "pale ale", but there's no tasteable trace of pale ale. This is a lovely syrupy-Ribena-y blueberry and vanilla fizzy drink - sweet, but well-balance
70 Sharps	Doom Bar	7	0.0%	amber	UK	Cornwall	It's good-tasting, nutty and gently malty, though also pretty crisp and satisfying. However it is quite watery. Good to have this in the line-up
71 Schöffelhofer	Weizen 0.0	7	0.0%	wheat	DE	Bavaria	a very decent classic Bavarian wheat beer. Very good foamy head, and fairly refreshing although you can tell taste-wise it's alcohol-free, not too distract
72 Jever	Fun	7	0.5%	lager	DE		a fresh, full and - yes - fun pilsener. Nicely flavoured, a touch drying at the end but otherwise commendable.
73 Brewdog	Lost AF	7	0.5%	lager	UK	Scotland	a good, clean and fairly classic lager
74 Waterland Brewery	IPA	7	0.5%	ipa	NL	North Holla	Nice enough, soft undramatic IPA
75 Grutte Pier	Vrijheid	7	0.5%	ipa	NL	Groningen	Pretty flavourful IPA, decent hop though a touch sour
76 Beavertown	Lazer Crush	6.5	0.5%	ipa	UK	London	A very "soft"-tasting IPA, not bad at all but not perfect. The mouthfeel is a bit fuzzy and it's not so tangy, but a perfectly good drink
77 Oedipus	Dorinku citrus beer	6.5	0.5%	unknown	NL	Amsterdam	This is allegedly beer, flavoured with citrus peel - but if so, it's disguised entirely as a sparkling elderflower(ish) cordial! It even has no head and is as cl
78 Schneider	Schneider Weisse	6.5	0.5%	wheat	DE	Bavaria	"Bavaria's oldest wheat beer brewery" has done a pretty good job: foamy/creamy head, clean finish. Taste is not perfect, but a decent complex balance
79 Hertog Jan	Hertog Jan 0.0%	6.5	0.0%	lager	NL	Limburg	decent but nothing special
80 Weihenstephaner	Weihenstephaner alcohol-free	6.5	0.5%	wheat	DE	Bavaria	Decent but not amazing. Good head though!
81 Erdinger	Erdinger Weiss	6.5	0.4%	wheat	DE	Bavaria	a peppy, isotopic-tasting wheat beer. Good frothy head, though the beer ends up with a rather frothy finish.
82 West Berksire Brew	Solo Pale Ale	6.5	0.5%	pale	UK	Berkshire	This was OK enough - no head but an OK mouthfeel, slightly piney taste and smokey which for me was unexpected for a pale.
83 Lucky Saint	Lucky Saint unfiltered lager	6.5	0.5%	lager	DE		a pretty good alcohol-free lager, no problems
84 Drynks	Smashed lager	6.5	0.0%	lager	UK	Cheshire	A decent lager... an ever-so-slightly-off-kilter taste in there, but otherwise good, refreshing enough.
85 Tiny Rebel	Party Hard	6.5	0.5%	pale	UK	Wales	Inoffensive, mineral-tasting pale ale, not so strong on the "mango/citrus" as claimed?
86 Pohjala	Tundra	6.5	0.5%	pale	EE		a restrained but pleasant enough pale ale, with (for me) a slight hint of peachy fruit. Made with spruce tips but I couldn't taste them.
87 Drop Bear	New World IPA	6.5	0.5%	ipa	UK	Wales	a rather unusual peppery-tart flavour at first, a flavour we didn't understand. Otherwise fine.
88 Brouwerij 't IJ	Free IPA	6.5	0.5%	ipa	NL	Amsterdam	good body and a laid-back nice IPA. However, loses points for sexist imagery on the bottle.
89 Bavaria	Bier 0.0	6.5	0.0%	lager	NL	North Brabaa	crisp & clean pilsener - straightforward & fine
90 Benediktiner	Weissbier Alkoholfrei	6.5		wheat	DE		decent & standard wheat beer, though with an obvious alcohol-free note that can't be ignored.
91 Engel	Kellerbier Alkoholfrei	6	0.5%	lager	DE		Looks & tastes like cloudy apple juice. (Not sweet, though.) Nice enough, balanced, but... huh?
92 Clausthaler	Clausthaler unfiltered alcohol-free lager	6	0.5%	lager	DE		a fairly balanced dry-hopped lager. But unfortunately there's an alkohofrei (after)taste that detracts, and lingers. Otherwise good and lagery, a decent froth
93 Big Drop	Uptown craft lager	6	0.5%	lager	UK	Ipswich	a very nice craft-lager taste at first, but unfortunately it ends with an aftertaste which is noticeably out-of-place and unsatisfying
94 Heineken	Heineken Zero	6	0.1%	lager	NL		Not impressing me much ... though actually this one's OK if it's all that's on
95 Warsteiner	Warsteiner Alkoholfrei	6	0.5%	lager	DE		a decent pilsner - it has a definite alkohofrei taste, but not too bothersome since the overall impression is balanced enough.
96 Peroni	Libera	6	0.0%	lager	IT		refreshing enough - there's a definite alkohofrei flavour overall, not so crisp - however, no offensive taste, and quaffable.
97 Moretti	Birra Moretti Zero	6	0.0%	lager	IT		not a bad attempt this one, there's the unwelcome alkohofrei flavour, but that aside not too drying, it'd be quaffable (much like the Peroni Libera)
98 Bitburger	Bitburger Drive	6	0.0%	lager	DE		it's a decent Pilsner, complex enough, though there's an alkohofrei flavour that for me detracts from refreshingness.
99 Carlsberg	Carlsberg	6	0.0%	lager	DK		
100 Big Drop	Milk Stout	6	0.5%	stout	UK	Ipswich	Probably the best stout in my list. It pours great, with the right nose, head, and body (!). The flavour is too smoky for my liking (smoke not mentioned or
101 St Peter's	St. Peter's Without	6	0.1%	bitter	UK	Suffolk	A lovely pun for the name, but for me the beer was unsatisfying in that way of alcohol-free beers.
102 Brooklyn	Special Effects alcohol free hoppy lager	6	0.4%	lager	US		an OK dark lager, but unimpressive. Low fizz, and a slight giveaway taste that puts me off. I'm surprised this isn't more interesting from this brewery.
103 Früh	Früh Kölsch	6	0.0%	lager	DE		a touch sour but not much, refreshing enough, decent but not impressive
104 Laine	King Limbo	6	0.5%	ipa	UK	Brighton	it's a "Nanny State style" IPA, but without much complexity or rich flavour, so to us it fell rather flat.
105 Good Living	Binary Botanical	6	0.5%	unknown	UK	Woking	this one's rather odd. They seem not to be aiming for beery flavour - website says "Prosecco-like" - I say "grown-up Appletiser". Not bad, but it doesn't f
106 Thornbridge	Big Easy	6	0.5%	pale	UK	Yorkshire	a bit disappointing from one of my fave breweries - weakly flavoured, but a decent pale ale really.
107 Brothers-in-law	0.5 Hoppy Lager	6	0.5%	lager	NL		OK but not very refreshing. The alkohofrei taste makes it a bit... bready?
108 Big Drop	Big River Black IPA	6	0.5%	ipa	UK	Ipswich	that same hazelnut flavour as in their stout - a shame, it's not IPA-like, a real missed opportunity. It's an OK drink though.
109 Lowlander	Lowlander Wit Alcohol Free	6	0.0%	wheat	NL	Amsterdam	brewed with reclaimed orange & lemon peel, this tastes very much like a posh bitter lemon. Decent, but not beery.
110 Franziskaner	Franziskaner Weissbier	6	0.5%	wheat	DE	Bavaria	tolerable wheat beer but frothy and less-refreshing
111 Paulaner	Hefe-Weißbier Non-Alcoholic	6	0.5%	wheat	DE	Bavaria	this wheat beer is inoffensive and refreshing enough, with decent body, but the flavour is very much dominated by that alcohol-free taste - so, not great
112 Krombacher	Alkoholfrei Pilsner	6	0.0%	lager	DE		a fairly balanced Pilsner - the blue flavour is clear but not unpleasant, though the beer overall is not quaffable.
113 Drynks	Smashed pale	6	0.0%	pale	UK	Cheshire	Not an awful pale ale, especially given it's 0.0%, but the distinctive alkohofrei taste is strongly there throughout, getting in the way of clarity.
114 Budvar	Nealko	6	0.5%	lager	CZ		it has a slightly offputting warty smell; the flavour is curious but overall it's OK
115 Force Majeure	Traditional Blond	6	0.4%	belgianblonde	BE		under the big foamy head this is disappointingly flavourless. Not particularly blonde. Clean, but for me too mineral-water-y
116 Veltins	Pils 0.0	6	0.0%	lager	DE		Not bad pilsner, though a touch of the alkohofrei taste.
117 And Union	Tuesday	5.5	0.5%	wheat	DE	Bavaria	a Bavarian weiss complex enough to be interesting, but with a fair few unsatisfying traits: slight vinegary nose, and an un-refreshing finish
118 Becks	Becks Blue	5	0.1%	lager	DE		meh
119 De Leckere	0.5% Weizen	5	0.5%	wheat	NL	Utrecht	oh dear, we did not like this. An alkohofrei taste pushed to the fore. And although it was integrated into the overall flavour... no thanks.
120 Nirvana	Stout	5	0.0%	stout	UK	Brighton	this tastes like someone tried to recreate stout from a description. It's dark, too thin, with a cocoa/liquorish flavour that seems to be added as a stand-in
121 Hoegaarden	Hoegaarden zero	4.5	0.0%	wheat	BE		bad news, Hoegaarden Zero is really disappointing :(It doesn't have the lovely crisp taste of normal Hoegaarden, instead it's soft, smells odd, tastes st
122 Big Drop	Kinzig Gateau Stout	4.5	0.5%	stout	UK	Ipswich	To us this has the not-good "thin ashtray water" flavour of so many of these alkohofrei stouts. The cherry flavour offsets it a little and so it's drinkable - but
123 And Union	Der Graf von Bayern alcohol-free weissb	4	0.4%	wheat	DE	Bavaria	I found this weird bottle lost at the back of the offie. It's not great - a thin-bodied weissbier with that alkohofrei taste, and a vinegary aftertaste. However m
